

DISCLAIMER OF LIABILITY, WARRANTY TERMS, AND SOFTWARE PROVISION of BeingRobotic

The following disclaimer, warranty terms, and software provision information (hereinafter referred to as "the STM32-DeveloperTool"):

Limited Liability:

- The STM32-DeveloperTool is provided free of charge and without any warranties, whether expressed or implied.
- The user acknowledges that the STM32-DeveloperTool may have inherent risks, and its use is at the user's sole risk.
- The user agrees to always verify and test the software generated by the STM32-DeveloperTool.

Proper Use:

- The user agrees to use the STM32-DeveloperTool only for its intended purpose.
- The user assumes all responsibility for the use of the STM32-DeveloperTool.
- The provider shall not be held responsible for any direct, indirect, incidental, or consequential damages arising from the use or misuse of the STM32-DeveloperTool.

Customization:

- If the STM32-DeveloperTool requires customization, the user agrees to adhere to the provided guidelines and specifications. Any deviation may result in malfunctions or damage.

Compliance with Laws:

- The user agrees to comply with all applicable laws and regulations when using the STM32-DeveloperTool.

Free Software Provision:

- The software related to the STM32-DeveloperTool is provided free of charge.
- The provider assumes no responsibility for the use of the software and does not guarantee its correctness or suitability for a specific purpose.

By using the STM32-DeveloperTool, the user acknowledges that they have read, understood, and agreed to the terms and conditions outlined in this disclaimer.

In witness whereof, BeingRobotic and its owner.
